How will you be affected by this proposal?
The Carlton Residents Association advocates on behalf of its members to preserve heritage values and amenity in Carlton by the preservation and maintenance of existing buildings and streetscapes and sympathetic development and uses. The CRA strenuously objects to this application on the following grounds:
This premises is located in a mixed use zone with high density residential dwellings in the imediate proximity. The amenity for these residents would be degraded by the inappropriate use of amplified and/ or acoustic music, especially in outdoor areas.
The existing clauses 4 and 11 attached to the current planning permit, avoid the difficult, inefficient and often expensive process of enforcing compliance with more relaxed conditions proposed. The existing clayses 4 and 11 should be retained.
