General Meeting

Monday, May 21, 7.30 p.m.

Dimattina's Restaurant

1st Floor 306 Lygon Street, Carlton

Guest Speakers Liz and Lloyd Jones, Cultural Icons, Directors & Administrators of La Mama, will address the meeting at 8 p.m.

Culture in Carlton

From the mid-1960's central Carlton was at the heart of Australia's most vibrant and remarkable theatrical precinct.

How fortunate we are that we still have the La Mama Theatre, founded in 1967, as the on-going legacy of this era today.

La Mama really is the enduring and resilient 'jewel' the crown of Melbourne's cultural life.

Liz and Lloyd Jones will share the 'La Mama Story' with us, including its recent funding traumas.

We celebrate with La Mama its 40th brilliant year.

Following our guest speakers and question time, supper will be served at around 9pm.
