What is the permit application number?	TP-2014- 953
What is the address of the land?	61-63 Little Palmerston Street Carlton 3053
<p>This property is located in a General Residential Zone covered by a heritage overlay HO1.</p> <p>The height and bulk of the rear section produces an unacceptable intrusion into a level 2 heritage streetscape.</p> <p>The visual bulk of the proposal diminishes the amenity of the surrounding properties.</p> <p>CRA believes that this proposal, as presented, is an inappropriate development for this location and that a heritage report should be commissioned to assess the application.</p>	

The Carlton Residents Association advocates on behalf of its members to:

- Support the retention of the heritage assets of the Carlton community and to discourage new developments that fail to respect these assets.
- Maintain the quality of the public realm with a focus upon maintaining access to sunlight and sky views, and a pedestrian friendly scale.
- Interpret and apply the performance based provisions of the Melbourne Planning Scheme fairly so that the interests of no one party are unfairly privileged over the interests of another party
