

CARLTON GREENING WALK

Residents + Council co-creating a cooler, more walkable Carlton

A CRA walk through current issues and opportunities

THE CARLTON RESIDENTS ASSOCIATION INC.

CARLTON RESIDENTS ASSOCIATION

**PLANNING to retaining a HERITAGE
FEEL and CHALLENGING
innappropriate development**

**Key Objective: Preserve Carlton's
heritage and historical integrity.**

**GREENING to improve the ASPECT
of parks and streetscapes**

**Key Objective: Expand and
maintain green spaces and
enhance walkability**

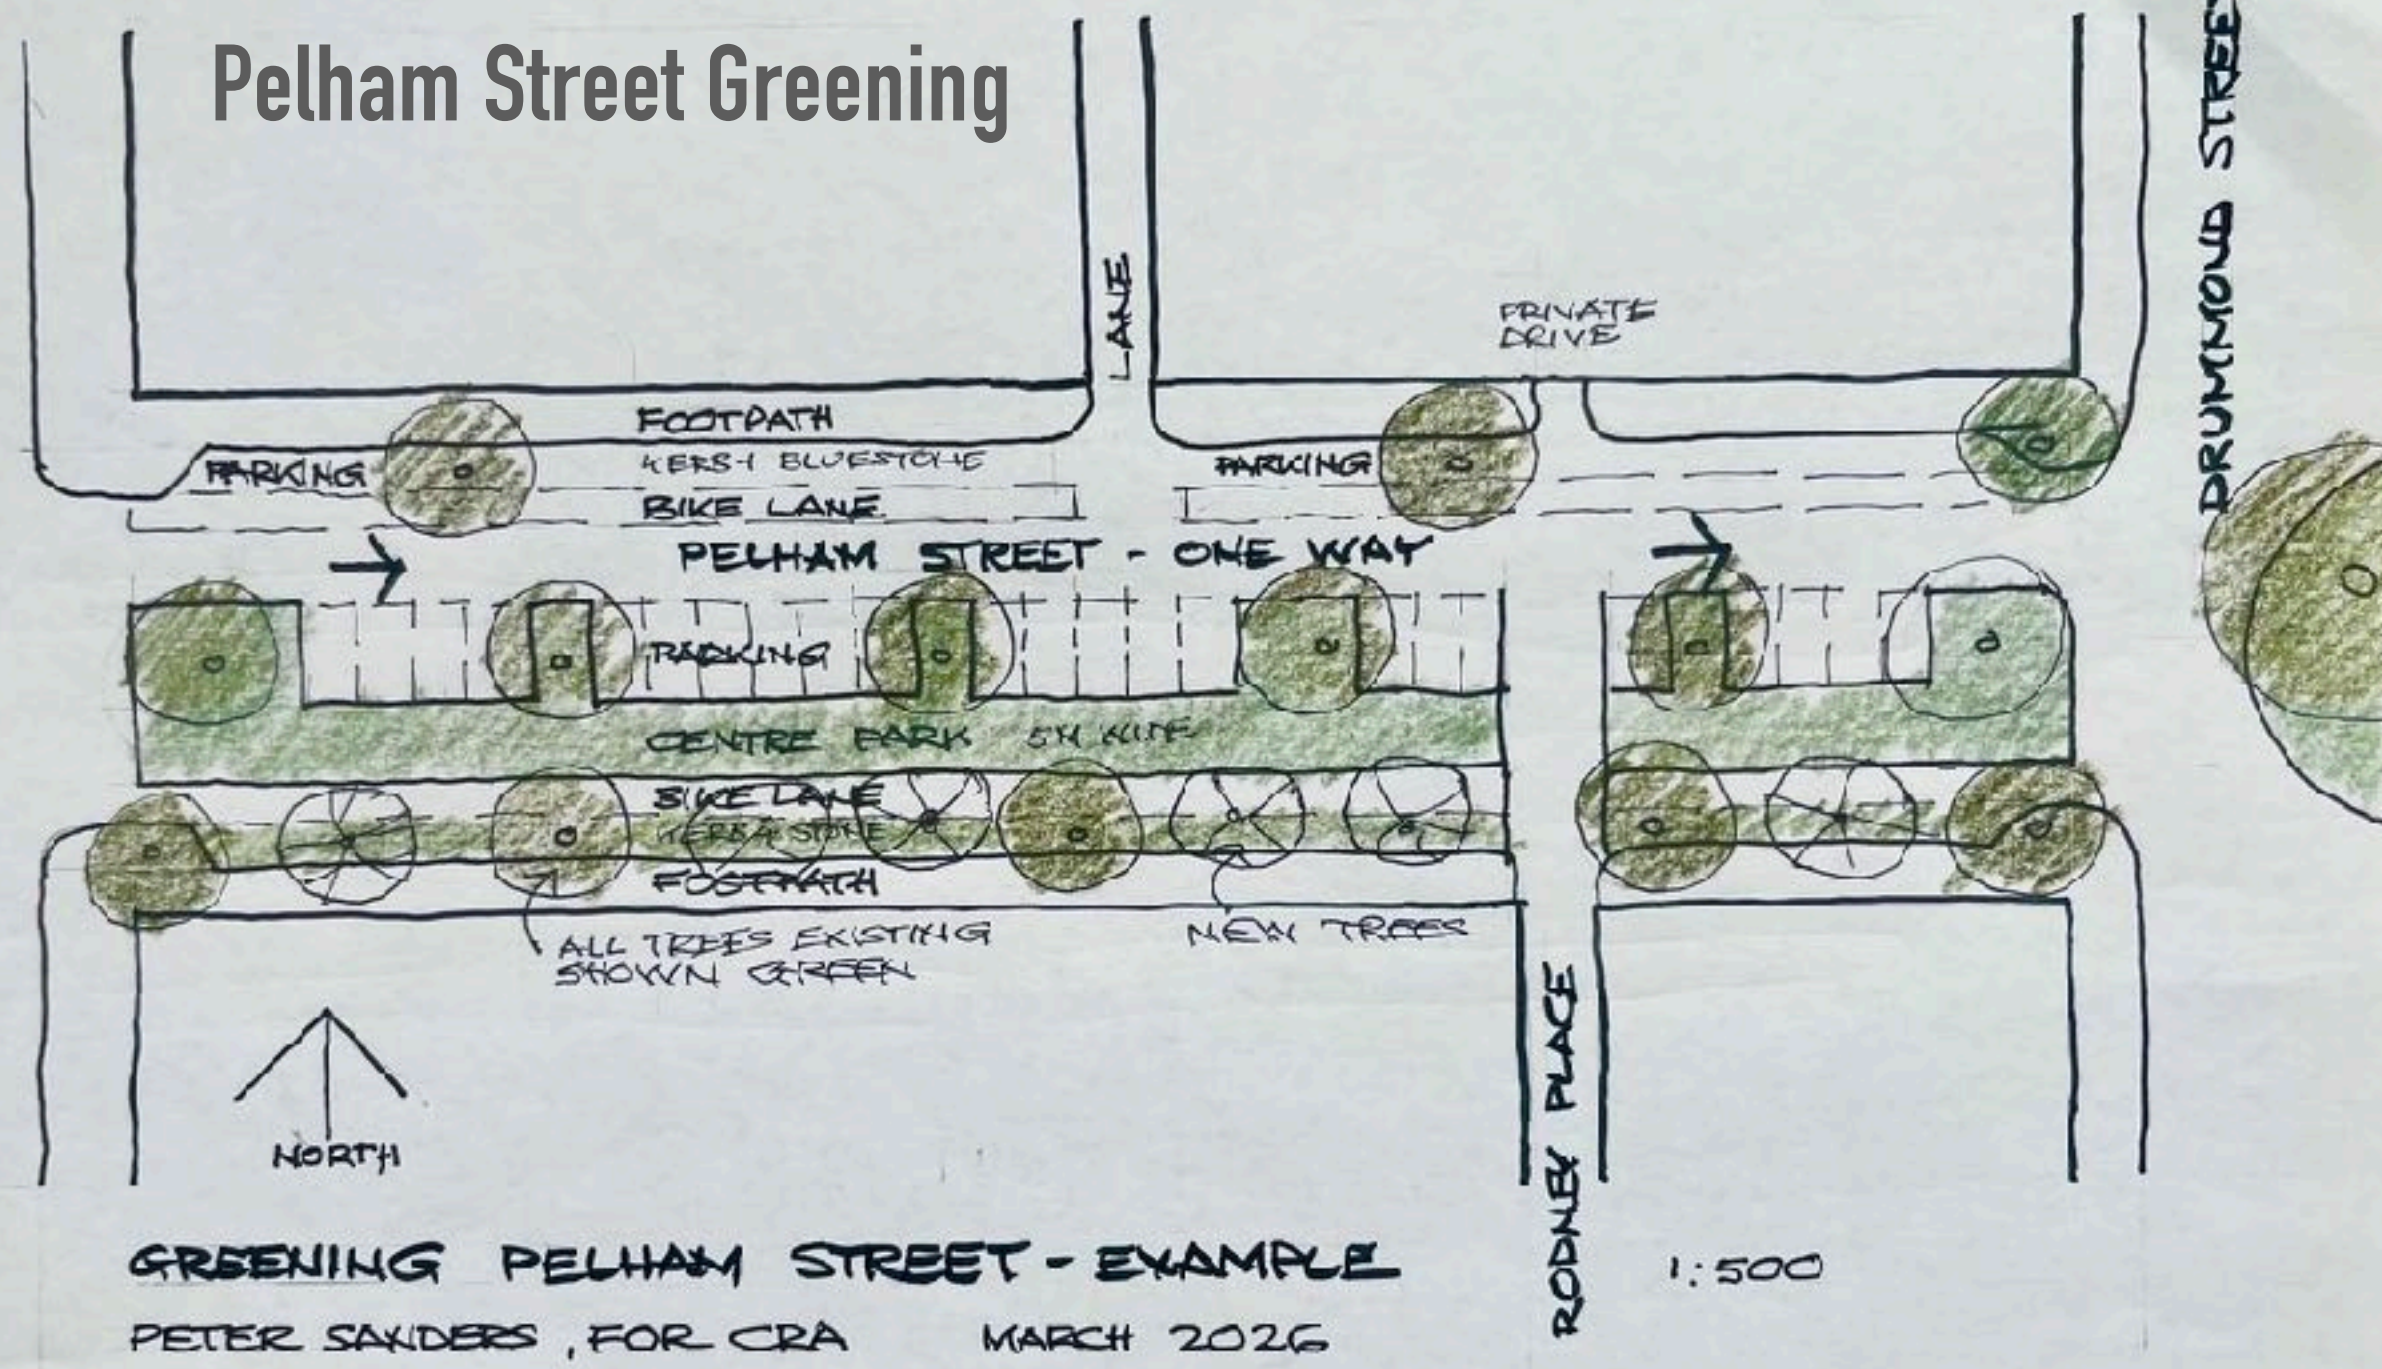

Actions:

- Advocate for a comprehensive Heritage Policy for Carlton.
- Ensure mandatory height limits to protect the World Heritage Environs Area.
- Support ongoing maintenance and preservation of the Royal Exhibition Building and Carlton Gardens.
- Recommend a review of the Melbourne International Flower & Garden show's impact on the Gardens
- Feasibility study into a central Melbourne International Festival of Flowers
- Support Carlton Urban Forest Precinct Strategy & collaboration with Housing Victoria
- Better maintenance of all parks, including Cardigan Street Park and the Toy Library.

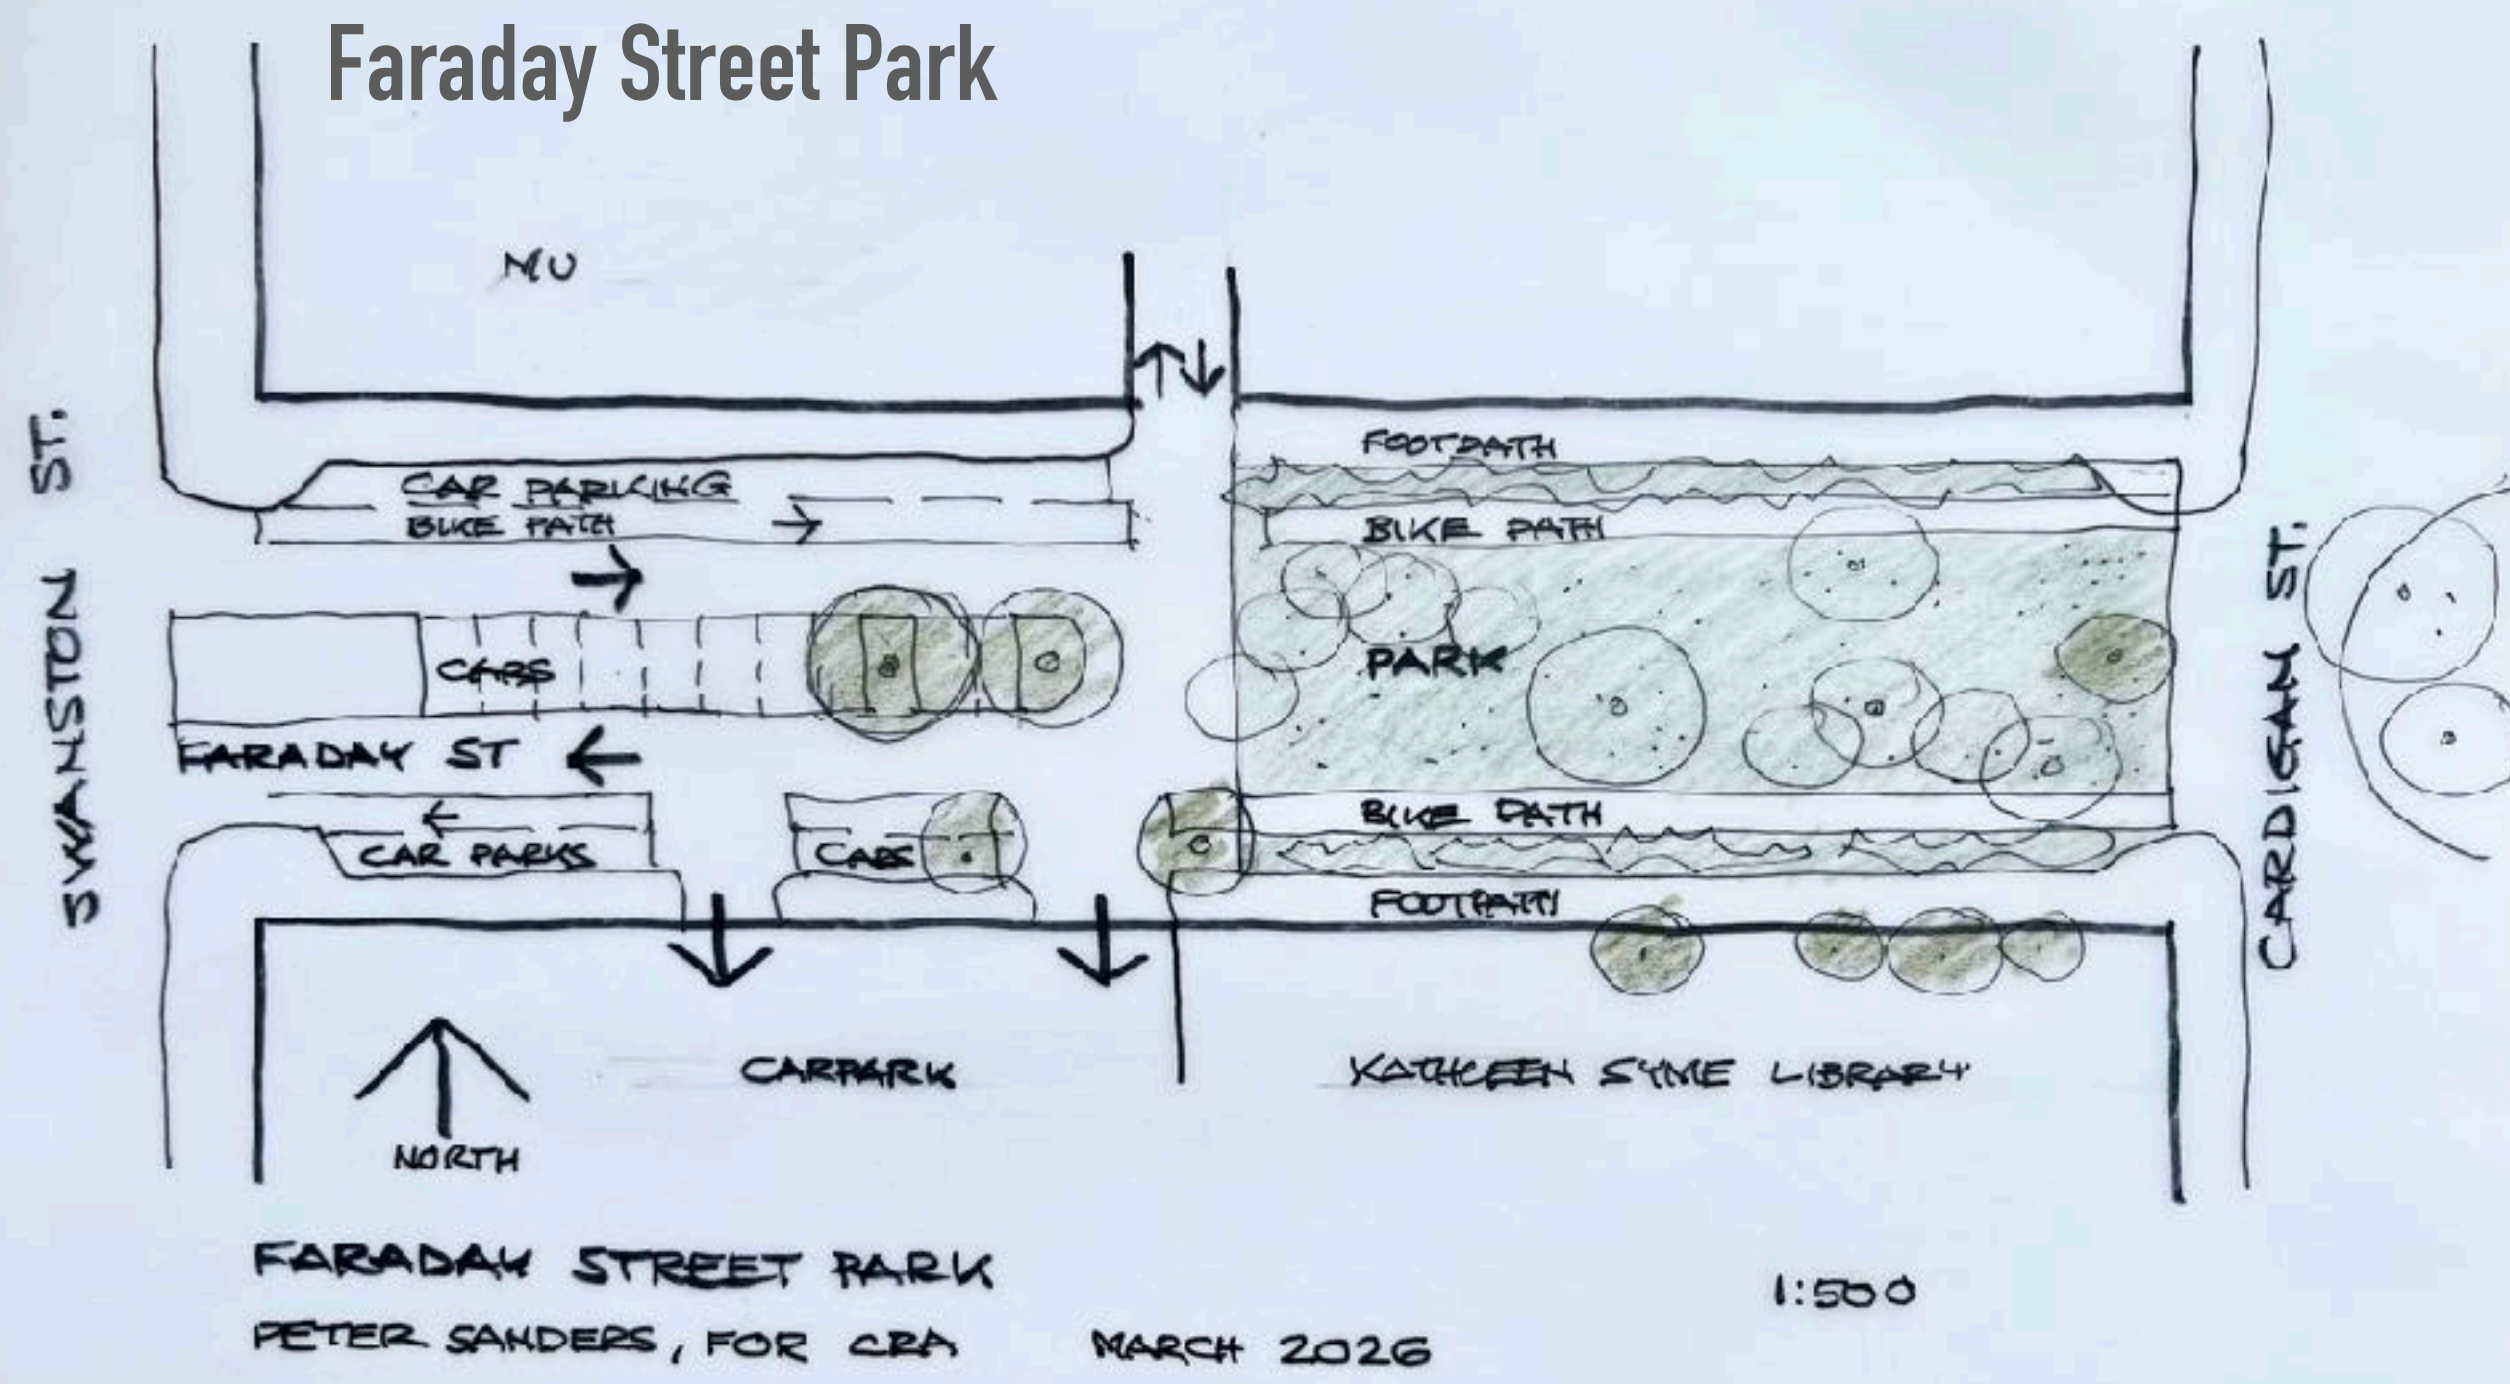

THE CARLTON RESIDENTS ASSOCIATION INC.

CARLTON RESIDENTS ASSOCIATION

Actions:

- Pelham Street (Rathdowne-Lygon) greening and mobility pathways.
- Closure of Faraday Street (Cardigan-Swanston) as a pocket park

Improving the SAFETY, MOBILITY and WALKABILITY of Carlton

Key Objective: Promote integrated, sustainable, and accessible mobility.

Actions:

- Support cycling, walking, public transport, and traffic calming measures
- Reduced speed limits and protection from through traffic in residential streets

Lygon Street REJUVENATION

Key Objective: Strengthen Lygon Street's role as a vibrant retail and cultural hub

Actions:

- Add 3m to footpaths allowing for outdoor eating areas
- Reduce through traffic to single car lanes & speed to 30kph
- Use extra space for low plantings, seating & parking.....
- Fast removal of graffiti and regular street cleaning
- Prioritise Lygon Street's heritage and activity centre role
